

## **I AM Ascending Into My I AM Presence**

I AM my I AM Presence and I AM One with the I AM Presence of ALL Humanity. As this wondrous Ascension in the Light occurs within me it occurs through every person on Earth, in perfect alignment with his or her Divine Plan and the highest good for all concerned.

I AM sitting comfortably in my chair with my arms and legs uncrossed and my spine is as straight as possible. I breathe in deeply and instantly I AM relaxed and peaceful. I empty my mind of all of the thoughts of the day and I KNOW, I AM That I AM.

I gently go within to the Divinity of my Heart and focus my attention on my Immortal Victorious Threefold Flame. Within the full embrace of my Threefold Flame, I realize that I have transcended the old Earth and crossed the threshold into the 5th-Dimensional Crystalline Solar Frequencies of the New Earth. I have truly entered a New Day filled with the full-gathered momentum of Heaven on Earth.

Victory is mine! Victory is mine! Victory is mine!

With this inner knowing, I realize that I have the awesome responsibility of BECOMING the full manifestation of my I AM Presence while I AM embodied on the New Earth. This literally means Transfiguring my physical, etheric, mental, and emotional bodies into the 5th-Dimensional Crystalline Solar Light Bodies of my I AM Presence.

This Divine Alchemy is occurring within me now at an atomic, cellular level. Every electron, every atom, every subatomic particle and wave of my bodies and all the spaces in between the atoms and molecules of my bodies are being filled with multifaceted 5th-Dimensional Crystalline Solar Light.

My I AM Presence is now able to take full dominion of my Earthly Bodies. As this occurs, my thoughts, feelings, words, actions, memories, and beliefs reflect the Transfiguring Divine Love, Infinite Abundance, Eternal Peace, Bliss, Harmony, and Oneness of my Father-Mother God. My physical reality is transformed, and I now experience at every level the infinite physical perfection of the New Earth.

My I AM Presence claims full authority within my Earthly Bodies. I stand forth now as a complete God Being pulsating within the glorious multicolored, multidimensional radiance of my I AM Presence.

My feet are planted firmly on the New Earth, and simultaneously I AM One with all of the Ascended Realms of Infinite Perfection. I AM a God Being of resplendent Light, now realizing the fullness of that Light on every level of my Being. As I AM lifted up, all Life is lifted up with me. Therefore, I know that within my I AM Presence, I AM now ALL of Humanity standing forth and realizing that we are God Beings Sons and Daughters of God on every realm associated with the New Earth.

Within my I AM Presence, I AM the Ascension Flame and I AM the full Divine Momentum of the Twelve Solar Aspects of Deity blazing in, through, and around every particle and wave of Life. I AM liberating every physical and chemical interaction within the Earthly Bodies of ALL Humanity, the Elemental Kingdom, and the physical, etheric, mental, and emotional strata of Mother Earth. The Ascension Flame is raising all of the energy bonds between atoms and within atoms into the 5th-Dimensional Crystalline Solar Frequencies of Gods Infinite Perfection.

I KNOW and ACCEPT that contained within this flowing electronic pattern of Light is everything necessary to Transfigure the entire physical realm into the patterns of perfection for the New Earth. This unfathomable Light contains everything necessary to set straight the orbit, spin, and electronic charge of every cell, atom, and electron of Life on the old Earth. I feel all energy bonds within the atomic realm now Ascending in vibration toward the frequency of infinite physical perfection. Every cell of Life is now blazing with the full perfection of 5th-Dimensional Crystalline Solar Light.

Within my I AM Presence, I AM the Ascension Flame and the 5th-Dimensional Crystalline Solar Frequencies of the Twelve Solar Aspects of Deity blazing through every interaction within Humanity and all of the energy bonds therein this includes the relationships of all people, organizations, races, religions, and nations liberating these interactions into the harmony of a Higher Order of Being, expanding the Sphere of Humanity's I AM Presence on Earth.

Within the Peace of the Great Solar Quiet, I AM aware of this Higher Reality. I AM now clearly receiving the Divine Promptings, Ideas, and Concepts of my I AM Presence. Daily and hourly, through the Gift of the Ascension Flame, I AM experiencing the Higher Reality of the New Earth within my heart and mind.

I AM now a living, Light-filled Temple of Vibrant Health, Eternal Youth, God's Infinite Abundance, Peace, Harmony, Balance, Happiness, and Abounding Joy. I AM my 5th-Dimensional Crystalline Solar Light Bodies of I AM Consciousness now made manifest on the New Earth. And so it is.

I return my consciousness to the room. I become aware of my body, and I allow these Divine Energies to be assimilated into my physical, etheric, mental, and emotional bodies. I breathe deeply and gently as I absorb the bliss of this moment. (pause)

I AM Grateful, I AM Grateful, I AM Eternally Grateful.

Beloved Father-Mother God All That Is I AM.
